- SECONDLY**—For the encouragement of education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.
- THIRDLY**—For granting assistance, where it may be necessary, to those who may be preparing for the ministry of the Gospel in the said Church, within the said Diocese.
- FOURTHLY**—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.
- FIFTHLY**—For obtaining and granting aid towards the erection, endowment and maintenance of Churches, according to the establishment of the said Church in the said Diocese ; the erection and maintenance of Parsonage Houses ; the setting apart of Burial Grounds and Church Yards ; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowments.

I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said :—

PREVENT us, O Lord, in all our doings, with Thy most gracious favor, and further us with Thy continual help ; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord.—AMEN.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we humbly beseech Thee to prosper with Thy blessing the designs of this Society, and to comfort with Thy grace those benefactors who contribute to its support. Visit with Thy favor our Sovereign QUEEN VICTORIA, and all in authority under her ; and so rule their hearts that they may in all things seek Thy honor and glory. Bless the ministry of Thy servants, the Clergy ; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. Inspire continually the Universal Church with a spirit of truth, unity and concord ; and because it cannot continue in safety without Thy succor, preserve it evermore by Thy help and goodness ; and may Thy Holy Spirit direct all our consultations to the advancement of Thy glory and the good of Thy Church, through Jesus Christ our Lord.—AMEN.

OUR FATHER, which art in heaven, hallowed be Thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation ; but deliver us from evil ; for Thine is the kingdom, the power and the glory, for ever and ever.—AMEN.

AND WHEN BUSINESS IS ENDED.

ALMIGHTY GOD, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving-kindness to us and to all men ; more particularly for the providential support by which this Society has been enabled to extend the knowledge of Thy sacred Truth. But, above all, for Thy inestimable love in the redemption of the world by Thy blessed Son ; for the means of grace and the hope of glory which Thou hast given us, in the same our Lord and Saviour Jesus Christ ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end.—AMEN.

THE grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore.—AMEN.

II.

And further, that no constitution, by-law, rule, or regulation of the Society, nor any abrogation, repeal, change or alteration of the same, shall be of any force or effect until it shall have been confirmed by the Bishop, in writing, under his hand.

RESOLUTIONS

PASSED AT THE FOURTEENTH ANNUAL MEETING, HELD
ON TUESDAY, JUNE 4, 1872.

Moved by the Very Rev. M. Boomer, I.L.D. ; seconded by D. J. Hughes, Esq. :—

- 1.—“ That the Report now read be adopted and printed.”

(Address by Rev. Dr. Balch, of Baltimore.)

Moved by the Rev. J. Gunne ; seconded by the Rev. Canon Huntingdon :—

- 2.—“ That while the large increase in the funds of the Church Society during the past year calls for our heartfelt thanks to Almighty God, still the return is even yet far from being in proportion to the ability of the diocese ; further and increased exertions are, therefore, absolutely necessary to establish and extend the ministrations of the Church.”

Moved by F. W. Thomas, Esq. ; seconded by the Rev. J. P. Dumoulin, M.A. :—

- 3.—“ That this meeting rejoices in the continued prosperity of the Church Societies in the mother country and in our sister Colonies, and desires to offer its sympathy to the Church in Ireland, and earnestly prays that heavenly wisdom may be vouchsafed to those who direct its councils, so that the faith in Christ and the order and discipline of the Church may be maintained unimpaired in that country.”

FOURTEENTH ANNUAL REPORT
OF THE
INCORPORATED CHURCH SOCIETY
OF THE
DIOCESE OF HURON.

IN presenting their Fourteenth Annual Report, the Standing Committee are reminded of the important changes which have taken place during the past year. Since our last annual gathering together, the first Bishop of this diocese and first President of this Society, the late Right Reverend Benjamin Cronyn, has been called away, taken from among us after having for fourteen years presided over and directed the labours of this Society. Upon our late President was laid the important work of constructing this Society, and of establishing the diocese of Huron; and after having seen the Clergy in the diocese more than doubled in number, and the income of the Society, from a very small beginning, attain the respectable sum of over \$10,000, he was called to enter into that rest which remaineth for the people of God—leaving behind him an eminent example of faith and good works, and a record of Christian virtues which it is hoped will beneficially affect the future of this diocese.

The Committee are rejoiced to be able to report that under the able and zealous guidance of our new President, the present Bishop, the work of this Society has continued to prosper, so that the present Report shows a large increase of income over any former year; and the Committee earnestly pray that the blessing of Almighty God will rest in large measure upon him who, during the past year, has been chosen Bishop of Huron, and so President of the Church Society.

Income.

The income for the past year, received from the diocese, is \$12,184.00 being an increase of \$2,161.22 over that of the 13th year, besides a special collection of \$1,941.87 sent from the diocese to the help of the Chicago and North Michigan and Wisconsin sufferers. This is a very

gratifying return ; but, compared with the wants of the diocese and the work yet to be accomplished, it is far from meeting our requirements ; hence the necessity of even greater exertion in future years.

General Purposes Fund.

During the past year, from this Fund grants have been made as follows :—For books for Sunday Schools, \$112.78 ; Churches and Parsonages, \$275 ; to superannuated Clergymen, \$375 ; to the W. & O. Fund, as the By-law directs, \$910 ; and after meeting the necessary expenses, which, on account of the meeting of the Provincial Synod, were unusually heavy, the sum of \$1,738.33 was carried to the credit of the Mission Fund.

Mission Fund.

This Fund, though still largely overdrawn, shows a slight improvement, notwithstanding the increased expenditure for salaries. It is important that this Fund should be placed in a better position than it is at present, for the circumstances of the country require not only that the present scale of grants be maintained, but even in some cases that they should be increased.

Sustentation Fund.

The amount received for this Fund, during the past year, including a legacy of \$100 from the late R. Kennedy, of London, is \$8,065. This fund is closely connected with the Mission Fund, and may, in fact, be considered as part of the same ; and as the investments belonging to the Sustentation Fund are now over \$34,000, important assistance will be given to the Mission Fund in future years.

Widows' and Orphans' Fund.

During the past year increased contributions have been received for this fund ; the annual collection being \$761 against \$600 for the 13th year ; besides two legacies of \$100 each from the late Joseph Miles, of Burford, and the late R. Kennedy, of London. The annual pensions paid from this fund amount to \$1800, and it is hoped that the increased exertions which are being made will enable the fund to meet all future claims without any reduction.

Commutation Fund.

During the past year, owing to the demise of the late respected Bishop, the surplus income of the Commutation Fund has been again increased, and four more of the non-commuted clergy have been put on this fund for \$300 each, which makes twelve additional clergymen placed upon the Commutation Fund.

Episcopal & Archdeacons' Fund.

The annual interest from investments belonging to this fund is \$3,688.65, besides the rent of the See House, which, if paid regularly, would afford an Episcopal income, exclusive of the See House rent, of about \$3000, after paying the Archdeacons' allowance and the expenses connected with this fund, which the Committee are glad to say is a great improvement compared with past years.

The present is, as it were, an epoch in the history of this Society, and it is due to the memory of our late Bishop to show at this time some of the results produced by the labours of the Society during the past fourteen years. Take, for instance, the Widows' and Orphans' Fund.

The amount of investments received on the division of the funds and property of the late diocese of Toronto for the W. & O. Fund, was	\$13,349 49
which was reduced by the failure of the U.C. Bank, &c., to	\$10,403 87
The present investments belonging to this fund are	\$31,818 33
Showing an increase of	\$21,414 46

Again, look at the Commutation Fund :—

The securities received in the division under the award of this fund amounted to	\$266,204 00
Present cash and investments belonging to it are	\$278,875 91
Grant made to the Episcopal Fund	3,000 00
Showing an increase over the amount received from Toronto of	\$15,671 91

Sustentation Fund.

Four years ago this fund was commenced, and already, including the grant from the S.P.G., the investments for this fund amount to \$34,675 ; and a sum of \$2,462.55 interest derived from this fund has already been given to the Mission Fund.

The Episcopal Fund, also, which for years was unable to meet its liabilities, owing to the financial difficulties which affected the whole country, has been so farmed and fostered, that its present income, exclusive of that derived from the securities received under the award, amounts to \$2,363, besides the rent of the See House.

The above shows some of the effects of the Society's operations during the past fourteen years ; and the experience of the past will render the operations of the future more easy, and we trust, by God's blessing, more prosperous.

Such is the present position of the chief funds administered by the Society ; the state of the other funds and various trusts under the charge of the Society will be seen by the accounts appended to this Report.

The Committee would again remind their brethren that although much has been accomplished by the Society in past years, much yet remains to be done before the wants of the diocese are fully supplied ; and even should the time arrive when the Committee could report that all parts of the diocese are supplied with the ministrations of the Church, still the call for further exertion would have to be made, for the world at large is the field which the Church is bound to supply, and this diocese should endeavour, according to its ability, to contribute its part in assisting our brethren in the mother country and in other places in obeying the Saviour's last command—which has been aptly termed “the marching orders of the church”—“Go ye into all the world and preach the Gospel to every creature ;” for by doing this we shall not only be the means of carrying blessings to others, but shall be taking the best way of forwarding the work in our own country, for we are taught in Holy Writ, “The liberal soul shall be made fat, and he that watereth shall be watered also himself.”

All of which is respectfully submitted.
